Extend Free Second hand machine Registration Special Campaign

28 Oct 2020

Dear Valued Customers:

Since 1 Sep, we have “Free Second-hand machine registration campaign” and many customers registered to us. The situation of industry market is getting better but we wouldn't say it is recovered already yet. So, we have decided to extend the period, it is not finished yet though, Detail is as bellow.

Campaign Price

1 ~ 10 Years from Production date: Free

10 ~ 15 Years from Production date: VND10,000,000 / unit

Period

1 Sep 2020 ~ 31 Mar 2021 (contact and register to us officially)

Machine Kinds

Wire Cut EDM/Die-Sinker EDM/Milling Center/Small Hole Drilling EDM/Injection MM

Terms & Condition

1. We don't accept this campaign for following cases:
 - a) If we find that the Name Plate is re-make.
 - b) In case this machine condition is too bad and we confirm it is not possible to register
 - c) If this machine is in the list of Water Flood in Thailand on 2011.
 - d) If this machine is installed at the company related to Military.
 - e) If this machine is illegally imported.
 - f) If this is listed machine (based on Japan METI regulation) and didn't get Export license.
 - g) In case those machines are older than 16 years after production.

Sodick Vietnam Co., Ltd.

14B Song Da Street, Ward 2, Tan Binh District, HCM City, Vietnam.

Tel : +84-28-3547-0457/0458 Fax : +84-28-3547-0420

- 2, Installation and travel fee will be charged.
- 3, Some documents are required to register to us.

The benefits of registration:

- The machine will receive technical support from the technical center of Sodick.
- All accessories of the machine will be genuine. (quality and suitability)
- Reduce the risks of heterogeneous equipment installation.
- Providing the most optimal performance for the machine.

We wish it can be helpful for our customers and overcome on this difficult time, together.

Sincerely yours,

Hiromiki Goto,
Sodick Vietnam Co., Ltd.
