FREE REGISTRATION SPECIAL CAMPAIGN

FOR SECOND-HAND SODICK MACHINES

SODICK
VIETNAM

July 01st, 2024

Dear Valued Customers;

Since the special campaign of free registration was welcomed and appreciated last year, we decide to give you a second chance. This year, Sodick Vietnam will re-start this campaign, we would like to continue supporting your business in Vietnam.

The benefits of joining this free registration:

- Normal machine registration price is **\$1,200** and now it is **\$0**.
- You will receive technical support for your Sodick machines from Sodick Vietnam Centers without paying registration fee.
- All spare parts, accessories for the machine will be genuine, with high quality and suitability at reasonable cost.
- The risks of heterogeneous equipment installation is reduced.
- You will also receive valuable advice from our experienced engineers and our supportive staff members for the most optimal performance of the machine.

We wish that this campaign could bring benefits and efficiency you need for your business to grow more.

Sincerely yours,

Matsui Daiki

General Director
